## GUARDSMEN SEE GOOD PRACTISE IN OLD CRATER

## COAST DEFENSE MEN BEGIN ONE WEEK'S MARCH

Members of 3rd Battalion Are  
Visited By Gen. Johnson  
and Col. Weigel

More than 100 men from the 3rd Battalion, 1st Infantry, National Guard of Hawaii, had a busy day yesterday on the rifle range at Punchbowl crater.

Brig-Gen. Samuel I. Johnson and Lieut-Col. William Weigel, 2nd Infantry, Fort Shafter, visited the range and spent a good portion of the day with the men. Gen. Johnson engaged in several lively contests of marksmanship with various officers of the battalion.

One particularly spirited contest on the 300-yard range between Gen. Johnson and Capt. Luther Evans of Company L resulted in Evans' winning out by a score of 49 to 47. Capt. Evans shot the first nine with a five at each shot, but got only a four on his last one.

Only the 200-yard and 300-yard ranges were used yesterday. Company M usually turns out with the largest number of any company in the regiment, but was not very heavily represented yesterday, several members having had to work on the docks.

Noonday lunch consisted of corn beef hash, rice, potatoes, rolls and various other things of passing fineness. Guard cooks say that the field range now doing duty at the camp is highly satisfactory, a thing which was evident from the manner in which the hungry men attacked their chow.

The 3rd Battalion will have one more day on the range before going into camp with the rest of the regiment at Red Hill. Next Sunday the 1st Battalion will fire on the range.

## SUBMARINES IN PORT; WILL BE GIVEN OVERHAUL

Coming here at the conclusion of practice held off Lahaina which officers of the division say was very successful and as good or better than last time, the U. S. S. Alert and the four boats of the third submarine division are berthed at the naval slip today, ready to go into drydock for semi-annual overhauling, cleaning and painting.

This morning the K-4 and K-8 went out for diving practice for a couple of hours. This week two of the four submarines comprising the division will go on the dock, and after they are through the others will have their turn, followed by the Alert. The division will probably be here several weeks.

The U. S. S. St. Louis, which accompanied the Alert and K boats on the cruise, has returned to Pearl Harbor. The division entered port here at 10 o'clock Sunday morning. At the conclusion of practice at Lahaina the crews were given 48 hours of shore leave. A party of the submarine men took advantage of this to go goat hunting on Kahoolawe and shot several fine specimens. They brought back two kids, which are now the Alert's official mascots.

Provisional Battalions Leave  
Today for Hike to End  
is Island

Forming two provisional battalions for infantry marching six Coast Artillery companies left this morning for Pearl City en route to Schofield Barracks. The battalions are composed of the 2d Company, Fort Ruger; the 1st Company, Fort De Russy, and the 3d and 4th Companies, Fort Kamehameha.

This week's march is the second made this month by coast artillerymen. A few days ago the other band, consisting of the 1st Company, Fort Ruger; the 2d Company, Fort De Russy; the 1st Company, Fort Armstrong, and the 2d and 5th Companies, Fort Kamehameha, left on a similar hike.

Special cars of the Honolulu Rapid Transit Company carried the men from Fort De Russy this morning shortly before 8 o'clock. At Fort Shafter they were joined by the Fort Ruger men for the march to Pearl City. Here the marchers joined the Fort Kamehameha men.

According to the schedule camp will be made tonight at Pearl City and at Schofield Barracks tomorrow night and Wednesday. On Thursday the battalions will continue to Haleiwa to spend two nights, returning to Schofield on Saturday.

Return home will be made on next Monday, a week from today. After a short time target practise will be held with guns of mobile armament. These dates will be announced later. Small arms practise will be held during the month of November.

The march made by the coast artillerymen just previous to the one which began today, was in a good deal of rain, but despite the unpleasant weather most of the men enjoyed getting out from their own guns and parade ground.
